

Short-Form Storytelling for Social Media

Capture attention. Create emotion. Convert audiences.

At **Redwood Films Kenya**, we specialize in crafting high-impact **short-form video content** designed for today's fast-moving social platforms. Whether it's a 30-second Instagram reel, a TikTok trend, or a powerful 60-second minidocumentary, we know how to tell your story quickly—and make it stick.

🔗 What We Offer:

• Reels & TikToks: Trend-driven, engaging edits tailored for your brand voice.

RED WOOD FILMS

- Micro-Documentaries: Short, emotional stories that build trust and authenticity.
- **Product Highlights:** Clean, fast-paced edits that showcase your brand offering.
- Behind-the-Scenes (BTS): Give your audience an inside look into your brand or campaign.
- Event Moments: Real-time or recap content optimized for sharing.

Why It Works:

- **Optimized for Engagement**: Our content is built with platform algorithms and human attention spans in mind.
- **Mobile-First Design**: Vertical framing, subtitles, bold visuals—ready to post instantly.
- **Creative Direction**: We script, shoot, and edit with purpose and strategy.

• **Fast Turnaround**: Perfect for campaigns, trends, or time-sensitive promos.

📌 Ideal For:
